

Diana Nole
CEO of Wolters Kluwer Health

Since September, 2015, Diana Nole is the CEO of Wolters Kluwer Health, a leading global provider of information, business intelligence, and point-of-care solutions for the healthcare industry. Serving more than 170 countries and operations worldwide.

Before joining Wolters Kluwer, Ms. Nole served as President for the Digital Medical Solutions Division of Carestream Health. In that role, she oversaw all operations for the \$1 billion provider of healthcare equipment, software and services with R&D sites globally. She led the successful integration of acquisitions which boosted the breadth and depth of the portfolio. The product development activities under her direction, delivered break through products with substantial customer workflow improvements, resulting in significant revenue growth and #1 customer satisfaction ratings. She joined Carestream Health in 2007.

Previously Diana Nole held multiple leadership roles at Eastman Kodak in its Healthcare Information Technology Solutions group. She started at Kodak in 1987 as Worldwide Logistics Supervisor/Systems Analyst.

Ms. Nole holds an MBA from the Simon School of Business, University of Rochester and received her BA, Magna cum Laude, in Math and Computer Science from the State University of New York.
