Forward-looking Statements

This presentation contains forward-looking statements. These statements may be identified by words such as "expect", "should", "could", "shall", and similar expressions. Wolters Kluwer cautions that such forward-looking statements are qualified by certain risks and uncertainties, that could cause actual results and events to differ materially from what is contemplated by the forward-looking statements. Factors which could cause actual results to differ from these forward-looking statements may include, without limitation, general economic conditions, conditions in the markets in which Wolters Kluwer is engaged, behavior of customers, suppliers and competitors, technological developments, the implementation and execution of new ICT systems or outsourcing, legal, tax, and regulatory rules affecting Wolters Kluwer's businesses, as well as risks related to mergers, acquisitions and divestments. In addition, financial risks, such as currency movements, interest rate fluctuations, liquidity and credit risks could influence future results. The foregoing list of factors should not be construed as exhaustive. Wolters Kluwer disclaims any intention or obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Our Strategy for 2007 Builds on Our Strengths to Accelerate Growth

2003-06 Strategy

- Strengthened market positions and portfolio
- Restructured cost base and increased operational rigor
- Developed significant presence in online and software
- Reallocated capital to higher growth markets
- Achieved major increase in shareholder value

Wolters Kluwer Today

- Leader in core markets
- Clear momentum around organic growth
- Local focus, global scale
- Product depth and breadth with focus on essential customer content and workflow tools
- Operational discipline
- Strong organizational capabilities
Accelerate Profitable Growth to Deliver Superior Shareholder Value

1. Grow Our Leading Positions
2. Capture Key Adjacent Markets
3. Exploit Global Scale and Scope
4. Institutionalize Operational Excellence
Grow Our Leading Positions

- Broaden coverage of core customer needs to expand range of integrated offerings
- Increase depth of products and services to participate more deeply in professionals’ workflows
- Enhance market execution, retention rates and share of customer spend
2007: Growing Our Leading Positions

- OvidSP (Health) - the most relevant medical search platform globally
- Navigator (LTRE: Netherlands) - strong integrated workflow research solution
- Electronic products accounts for nearly 50% of Wolters Kluwer revenue worldwide
Capture Key Adjacent Markets

- Expand into adjacent customer segments and markets by developing innovative products
- Extend productivity-based tools and services
- Pursue promising market opportunities and partnerships
2007: Capturing Key Adjacent Markets

- CorpSystem - new TAL brand of software and workflow solutions for corporate professionals
- MYOB (early 2008) - acquisition strengthens TAL’s presence in the accounting software market in the United Kingdom
- AppOne and Banconsumer - acquisitions build CFS’ indirect lending portfolio
- One Legal - equity partnership to expand CFS’ position in electronic court filings
Exploit Global Scale and Scope

- Leverage local brands, global scale and know-how to build a larger footprint in emerging markets (e.g., China, India, and Eastern Europe)
- Focus on software and services with global scale and attractive local market potential
- Use common global platforms to enable local customization faster and at lower cost
2007: Exploiting Global Scale and Scope

- MCFR - expands LTRE footprint in the Russian markets
- TeamMate - expands TAL presence to 96 countries worldwide
- CT TyMetrix and Securities Compliance Solutions - first CFS products to drive growth in U.K. market
- Health content - expanding local language offering in China, Spain, Latin America and Brazil
Institutionalize Operational Excellence

- Build customer insight and increase structured product planning
- Instill a continuous improvement culture throughout Wolters Kluwer with a focus on sourcing and Lean Six Sigma
- Extend offshoring to additional functions and operating units
- Continue to strengthen management capabilities and talent
Institutionalizing Operational Excellence with Springboard

Opportunity

- **Multi-Generational Technology Plan**
  - Rationalize portfolio of 3,000 applications and save 8-12% of current IT spend through consolidation and simplification

- **Content Supply Chain**
  - Re-engineer and standardize content manufacturing process to support next generation print and online publishing

- **Supply Management**
  - Expand global sourcing initiatives to address larger portion of €1.3B supplier spend

- **Offshoring**
  - Extend the scope of our offshoring initiatives

Goal:
2011 Run Rate Savings:

€50M to €75M
