Forward-looking Statements

This presentation contains forward-looking statements. These statements may be identified by words such as "expect", "should", "could", "shall", and similar expressions. Wolters Kluwer cautions that such forward-looking statements are qualified by certain risks and uncertainties, that could cause actual results and events to differ materially from what is contemplated by the forward-looking statements. Factors which could cause actual results to differ from these forward-looking statements may include, without limitation, general economic conditions, conditions in the markets in which Wolters Kluwer is engaged, behavior of customers, suppliers and competitors, technological developments, the implementation and execution of new ICT systems or outsourcing, legal, tax, and regulatory rules affecting Wolters Kluwer’s businesses, as well as risks related to mergers, acquisitions and divestments. In addition, financial risks, such as currency movements, interest rate fluctuations, liquidity and credit risks could influence future results. The foregoing list of factors should not be construed as exhaustive. Wolters Kluwer disclaims any intention or obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

**Accelerating Springboard**

**Improving Wolters Kluwer’s Operations**

**Driving Wolters Kluwer’s Long Term Performance**

**Investing €180 million to Improve EBITA €120 million in 2011**

Note: As the program represents numerous initiatives the precise annual phasing of savings and costs is difficult to predict, however, the table above represents current estimates.
Since Springboard’s announcement, the number of streamlining and modernizing initiatives has grown...

- Rationalize non standard and fragment IT Infrastructure, saving 8-12% of current IT spend
  + ERP: TAL, Germany, France. Order Management: Health

- Re-engineer and standardize content manufacturing process to support next generation print and online publishing (Pilot Canada)
  + Health: PEB/PEJ; LTRE: NL, Germany, France; TAL (Expand to U.S.)

- Expand global sourcing initiatives to address larger portion of €1.3 billion supplier spend

- Extend the scope of our offshoring initiatives
  + HA BPO, Accelerate F&A. TAL move to content production to Malaysia, Netherlands

- Property Consolidation
- Reengineering process flows
- De-layering organization

... and we believe there is an opportunity to accelerate the benefit if we take one time, non-recurring costs below the line
Health Portfolio Changes

Focus on higher subscription and growth businesses

- Streamlining and off-shoring of production functions
- Optimizing channel management within the books product line
- Considering to discontinue or divest low margin and non-strategic practice areas
- Acceleration of migration to online and software solutions
- Appointment of Robert Becker as new CEO of the Health division
Recent Acquisitions
